Veterans and their families are invited to attend a Town Hall meeting to meet with the Erie VAMC leadership team. The leadership team will provide a brief update on the Erie VAMC including current programs and services, new initiatives kicking-off soon, and an update on construction projects. We'd also like to hear from you on what we're doing well and what we could improve.

Erie VAMC's goal is to deliver care that not only meets patient needs, but exceeds their expectations.
