

## **Domestic Violence Awareness Resource Fair**

Tuesday, October 22  
10:00 am - 1:00pm  
Erie VAMC - 2nd Floor

Erie VA Medical Center invites Veterans, their families and all VA employees to attend the Domestic Violence Awareness Resource Fair, hosted by the Intimate Partner Violence Assistance Program.

Representatives will be on hand to provide information to Veterans, their loved ones and VA Employees on available VA and community-based resources to help those impacted by unhealthy relationships. Refreshments will be provided.

### **What is Domestic Violence?**

---

Domestic Violence is more than just physical abuse, it includes emotional and mental mistreatment, threats of harm, and sexual abuse as well.

### **Support is Available!**

---

Come learn more about how you can receive help, or help others who may need your support.

### **Intimate Partner Violence Assistance Program**

The Erie VA Medical Center has implemented a **NEW** program to support Veterans, their loved ones and VA Employees who are impacted by Domestic and Intimate Partner Violence.
