

Connected Care Fair

Wednesday, October 9 | 9:00 am - 2:00pm | Conference Rm 2C - 2nd Flr

Erie VA Medical Center invites Veterans, their families and all VA employees to attend the Connected Care Fair to learn about new advances in telehealth and how to receive the best care...from anywhere! New telehealth technologies make receiving care from home, work or even on the road even easier. Try out some of the new technology and learn how you can take advantage of these new health care opportunities!

Learn about various telehealth modalities including:

Home Telehealth
Telehealth
Store & Forward
VA Video Connect
MyHealthVet

U.S. Department of Veterans Affairs
Veterans Health Administration
